June 2023

A graphic celebrating Father's Day. The word 'HAPPY' is in yellow, bold, sans-serif capital letters, centered within a blue banner with white decorative flourishes at its ends. Below the banner, the words 'FATHER'S' and 'DAY' are written in large, dark blue, bold, sans-serif capital letters. Several yellow stars of varying sizes are scattered around the text, adding a festive touch.

Celebrating All Fathers!

Happy Father's Day to the Men in our Home! We honor your special day by celebrating you this month. What are some Memories you've had in your life on Father's Day? My father was a Baptist Minister and my childhood memories are of him in the pulpit of the church honoring the men in the congregation by recognizing fathers in the church that morning. We would gather as a family after for lunch and have quiet time together. Father's Day originated on June 19, 1910, in the state of Washington. However, it was not until 1972 - 58 years after President Woodrow Wilson made Mother's Day official - that the day honoring fathers became a nationwide holiday in the United States. Father's Day is observed this year on June 18th. Happy Father's Day Friends!

XOXO - Laurie
