### **Celebrating Our Fathers**

Honoring our Fathers this month as we remember family traditions and create new memories. What are some special memories you've had in your life on Father's Day with family and friends? Father's Day originated on June 19, 1900, in the state of Washington. However, it was not until 1972 - 58 years later after President Woodrow Wilson made Mother's Day official - that the day honoring fathers became a nationwide holiday in the United States. Father's Day is observed this year on June 18th. Happy Father's Day, Friends!
