Springing Into the Season Together

The month of May is one that brings memories and feelings of nostalgia—Mother's Day, Derby Day, spring birthdays, a time for planting and welcoming the warmer temperatures of springtime. All of these occasions spark memories of gatherings and socialization.

We look forward to recognizing Mother's Day this month with a "Ladies' Tea"—all of our ladies are welcome to join us and invite a special guest to attend. We will enjoy music by harpist Elaine, as well as special tea and treats for the afternoon.

When I think of "Derby Day," I think of party hats, flowers & horse racing! We will be creating our own hats to wear on Derby Day weekend—for our men & women ... looking forward to this special activity Robin has planned for us to get creative together!

Many have said that we should wait until after Derby Day to begin planting our flowers for the season ... some even suggest waiting until after Mother's Day for an added safeguard. We are planning a nice, bright, colorful delivery of flowers to be planted in large pots for the courtyard and also for our raised flower bed on the back porch.

Wishing you the Happiest of Spring Seasons with us on "The Hill."

XOXO - Laurie
