November 2024

Thankful for Each of YOU

This month is one that naturally reminds us to be thankful. Thanksgiving is the holiday that we celebrate with friends and family annually to come together around a table and take part in a special meal. Some families remember traditions like trimming the Christmas tree the day after Thanksgiving or beginning the early morning Christmas shopping. Others travel distances to visit with relatives. Some families stay home napping after taking part in the traditional turkey dinner and lounging on the couch watching football. Whatever your traditions have been, I'm eternally grateful that our paths have brought us together on The Hill. Time spent together creates a common bond that creates a sense of family and home. This month and always, I am thankful for wonderful staff, families and residents.

XOXO - Laurie
