Curl Up in Comfort

“What a splendid piece of furniture an armchair is. ... During those long winter evenings, it is often sweet and always advisable to stretch out luxuriously in one, far from the din of the crowds.” —Xavier de Maistre

Polka Dot Party

Both sophisticated and playful, polka dots are a classic pattern used in fashion and design. When they originated in the Middle Ages, they had a less cheerful connotation, since the spots were associated with disease. A couple centuries later, modern sewing machines made the pattern more uniform and easier to produce. Their leap in popularity happened at the same time as another trend—polka music from the Czech Republic—and the term “polka dots” was born.

Inaugural Event

Franklin D. Roosevelt’s second-term inauguration in 1937 marked the first time the ceremony was held in January. Previous U.S. presidents took the oath of office on March 4, before the 20th Amendment changed the date to Jan. 20.

Congratulations, Shelley, On Your Graduation

Shelley has been our weekend LPN for a year. During this time she has been pursuing her RN degree at WKU, graduating on December 6th. She has accepted a position elsewhere and will be leaving us full time in January. She will remain PRN here at Daisy Hill as she loves her residents and their families. We are so proud of Shelley and wish her the best.
