Introducing Performance Food Service

We are forming a new partnership with Performance Food Service Group. They will be an additional source for food options and delivery service for our Dining Services Department. Hunter Macey, our Food Service Rep, will be coordinating a food selection tasting activity next month in March. Stay tuned for more details ahead for this activity and details. Jade Muniz, Dining Services Director, will continue to schedule Food Committee Meetings that will be open to all residents to attend and share feedback and suggestions. Our Resident Council continues to meet monthly to discuss and feedback shared and suggestions to present. Moving into a new year is always a time to reflect on ways to continue providing quality care & services and also a great time to discuss ways to enhance the quality of life we continue to strive to offer at Daisy Hill. We will be celebrating our 12th year next month of our doors being open.
